

**Independent Auditor's Report
To The Members of
Indiabulls Collection Agency Limited**

Report on the Financial Statements

We have audited the accompanying financial statements of Indiabulls Collection Agency Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2017, and its profit and its cash flows for the year ended on that date.

Annexure B to the Independent Auditor's Report of even date on the Financial Statements of Indiabulls Collection Agency Limited for the year ended March 31, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Indiabulls Collection Agency Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Indiabulls Collection Agency Limited
Notes to financial statements as at March 31, 2017

Note - 1

Corporate information:

Indiabulls Collection Agency Limited ("the Company") was incorporated on June 1, 2006. The Company is primarily engaged in the business of debt collection and to act as recovery agent.

Note - 2

Summary of significant accounting policies:

i) Basis of accounting:

The financial statements are prepared under the historical cost convention on an accrual basis in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) and Accounting Standards (AS) under Section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

ii) Use of estimates:

The presentation of financial statements in conformity with GAAP requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the period in which the results are known / materialised.

iii) Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

iv) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

v) Revenue recognition:

- (a) Income from consultancy charges is recognized on an accrual basis as the related services are rendered.
- (b) Interest income is recognized on accrual basis.
- (c) Dividend income on units of Mutual Fund is recognised when the right to receive dividend is unconditionally established.
- (d) Profit/ (loss) on redemption of units of Mutual Funds is recognised on actual basis.

vi) Investments:

Investments are classified as non-current and current investments. Non-current investments are carried at cost less provision, if any, for any diminution other than temporary in their value. Current investments are valued at lower of cost and fair value.

vii) Borrowing cost:

Borrowing costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of cost of the asset. All other borrowing costs are charged to revenue.

viii) Deferred employee stock compensation cost:

Deferred employee stock compensation cost for stock options are recognised on the basis of generally accepted accounting principles and are measured by the difference between the estimated value of the company's shares on stock options grant date and the exercise price to be paid by the option holders. The compensation expense is amortised over the vesting period of the options. The fair value of options for disclosure purpose is measured on the basis of a valuation performed in respect of stock options granted.

ix) Employee benefits:

The Company's contribution to Provident Fund is charged to Statement of Profit and Loss. As permitted under Accounting Standard 15 (Revised 2005) - Employee Benefits, as specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended, in respect of companies with few employees, retirement benefits in the form of Gratuity and Compensated Absences payable to employees is provided for on the accrual basis under the assumption that such benefits are payable at year end.

x) Taxes on income:

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with the relevant tax regulations.

Deferred tax resulting from timing differences between book and tax profits is accounted for at the current rate of tax / substantively enacted tax rates as on the Balance Sheet date, to the extent that the timing differences are expected to crystallise.

Deferred Tax Assets are recognized where realization is reasonably certain, whereas, in case of carried forward losses or unabsorbed depreciation, deferred tax assets are recognized only if there is virtual certainty of realization supported with convincing evidence. Deferred Tax Assets are reviewed for the appropriateness of their respective carrying values at each Balance Sheet date.

xi) Preliminary expenses:

Preliminary Expenses are adjusted (net of tax) against Securities Premium Account to the extent of balance available and thereafter the balance portion is charged off to the Statement of Profit and Loss, as incurred.

Indiabulls Collection Agency Limited
Notes to financial statements as at March 31, 2017

xii) Share issue expenses:

Share issue expenses are adjusted against securities premium account to the extent of balance available and thereafter, the balance portion is charged off to the Statement of Profit and Loss, as incurred.

xiii) Provisions, contingent liabilities and contingent assets:

Provisions are recognised only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made.

Contingent liabilities are disclosed for:

(1) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or

(2) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation can not be made. Contingent Assets are not recognised in the financial statements since this may result in the recognition of income that may never be realized.

xiv) Segment reporting:

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive management in deciding how to allocate resources and in assessing performance.

xv) Earnings per share:

Basic earnings per share are computed using the weighted average number of equity shares outstanding during the year. Diluted earnings per share are computed using the weighted average number of equity and dilutive potential equity shares outstanding during the year except where the results would be anti-dilutive.

Note - 26

Earnings per share:

Basic earnings per share is computed by dividing the net profit/(loss) attributable to equity shareholders for the period by the weighted average number of equity shares outstanding during the reporting period. Diluted earnings per share are computed using the weighted average number of equity shares and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are adjusted for the proceeds receivable, had the shares been actually issued at fair value.

Dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The number of equity shares and potential diluted equity shares are adjusted for stock split and bonus shares as appropriate.

Particulars	Year ended March 31, 2017	Year ended March 31, 2016
Net Profit/(Loss) available for equity shareholders (Rs.)	9,083,199	9,871,462
Weighted average number of equity shares used for computing Basic and Diluted earnings per share	150,000	150,000
Nominal value of equity shares – (Rs. Per Share)	10.00	10.00
