

INDEPENDENT AUDITOR'S REPORT

To The Members of Indiabulls Insurance Advisors Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Indiabulls Insurance Advisors Limited** ("the company") which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, the Cash Flow Statement for the year ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act' 2013 ("the Act") with respect to the preparation of these standalone financial Statements that give a true and fair view of the financial position, financial performance and cash flow of the company in accordance with the accounting principles generally accepted in India including the accounting standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; judgments and estimate that are reasonable and prudent and design implementation of adequate financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statement give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as March 31, 2018, and its profits and its cash flow for the year ended on that date.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Indiabulls Insurance Advisors Limited, ("the Company")** as on 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally

accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

New Delhi, April 16, 2018

Indiabulls Insurance Advisors Limited

Notes to financial statements for the year ended March 31, 2018

1 Corporate Information

Indiabulls Insurance Advisors Limited ("the Company") was incorporated on February 18, 2002 as a wholly owned subsidiary of Indiabulls Housing Finance Limited (IHFL).

2 Significant Accounting Policies

i) Basis of Accounting:

The financial statements are prepared under the historical cost convention on an accrual basis in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) and Accounting Standards (AS) under Section 133 of the Companies Act, 2013 ("the 2013 Act") read with rule 7 of the Companies (Accounts) Rules, 2014. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

ii) Use of estimates:

The presentation of financial statements in conformity with GAAP requires estimates and assumptions to be made that affect the reported amount of assets and liabilities on the date of the financial statements and the reported amount of revenues and expenses during the reporting period. Differences between the actual results and estimates are recognised in the period in which the results are known / materialised.

iii) Cash and cash equivalents:

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

iv) Cash flow statement:

Cash flows are reported using the indirect method, whereby profit / (loss) before extraordinary items and tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

v) Revenue recognition:

Income from fee based advisory services is recognized on an accrual basis.

Transactions in respect of investment/dealing in securities are recognised on trade dates.

Dividend Income is recognised when the right to receive dividend is unconditional at the balance sheet date and Dividend Income on units of Mutual Fund is recognised on cash basis.

vi) Stock of Securities:

Stock of securities is valued at lower of cost and net realisable value. Cost is determined on weighted average basis.

vii) Borrowing Cost:

Borrowing costs that are attributable to the acquisition, construction, or production of qualifying assets are capitalised as part of cost of the asset. All other borrowing costs are charged to revenue.

viii) Investments:

Investments are classified as long term and current investments. Long-term investments are carried at cost less provision, if any, for permanent diminution in their value. Current investments are valued at lower of cost and fair value.

ix) Fixed assets:

(a) Tangible assets:

Tangible fixed assets are stated at cost, less accumulated depreciation / impairment losses, if any. Cost includes original cost of acquisition, including incidental expenses related to such acquisition and installation.

(b) Intangible assets:

Intangible assets are stated at cost, less accumulated amortisation / impairment losses, if any. Cost includes original cost of acquisition, including incidental expenses related to such acquisition.

x) Depreciation / Amortisation:

Depreciation on tangible fixed assets is provided on straight-line method at the rates specified in Schedule II to the Companies Act, 2013.

Depreciation on additions to fixed assets is provided on a pro-rata basis from the date the asset is put to use. Depreciation on sale / deduction from fixed assets is provided for up to the date of sale / deduction, as the case may be. Assets costing less than Rs. 5,000 each are fully depreciated in the year of capitalisation. Intangible assets consisting of Software are amortised on a straight line basis over a period of four years from the date when the assets are available for use.

xi) Impairment of assets:

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such indication exists the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs is less than its carrying amount the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the Statement of Profit and Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists the recoverable amount is reassessed and the asset is reflected at the recoverable amount.

xii) Taxes on Income:

Current tax is determined as the tax payable in respect of taxable income for the year and is computed in accordance with the relevant tax regulations.

Deferred tax resulting from timing differences between book and tax profits is accounted for at the current rate of tax / substantively enacted tax rates as on the Balance Sheet date, to the extent that the timing differences are expected to crystallise.

Deferred Tax Assets are recognised where realisation is reasonably certain whereas in case of carried forward losses or unabsorbed depreciation, deferred tax assets are recognised only if there is a virtual certainty of realisation backed by convincing evidence. Deferred Tax Assets are reviewed for the appropriateness of their respective carrying values at each Balance Sheet date.

Indiabulls Insurance Advisors Limited

Notes to financial statements for the year ended March 31, 2018

xiii) Employee Benefits:

As permitted under Accounting Standard 15 (Revised 2005) - Employee Benefits, as specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014, as amended, in respect of companies with few employees, retirement benefits in the form of Gratuity and Compensated Absences payable to employees is provided for on the accrual basis under the assumption that such benefits are payable at year end.

xiv) Deferred employee stock compensation cost:

The Company follows intrinsic value method as per Guidance Note on Accounting for Employee Share-based Payments issued by The Institute of Chartered Accountants of India for accounting Employee Stock Options granted. Deferred employee stock compensation cost for stock options are recognized and measured by the difference between the estimated value of the Company's shares at the stock options grant date and the exercise price to be paid by the option holders. The compensation expense is amortized over the vesting period of the options. The fair value of options for disclosure purpose is measured on the basis of a valuation performed in respect of stock options granted.

xv) Share issue Expenses / Preliminary Expenses:

Share issue expenses / Preliminary Expenses are adjusted against securities premium account to the extent of balance available and thereafter the balance portion is charged off to the profit and loss account, as incurred.

xvi) Leases:

In case of assets taken on operating lease the lease rentals are charged to the Statement of Profit and Loss on a straight line basis in accordance with Accounting Standard (AS) - 19-Leases.

xvii) Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised only when there is a present obligation as a result of past events and when a reliable estimate of the amount of obligation can be made.

Contingent liability is disclosed for:

- (1) Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- (2) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent Assets are not recognised in the financial statements since this may result in the recognition of income that may never be realized.

xviii) Segment reporting:

The Company identifies primary segments based on the dominant source, nature of risks and returns and the internal organisation and management structure. The operating segments are the segments for which separate financial information is available and for which operating profit/loss amounts are evaluated regularly by the executive management in deciding how to allocate resources and in assessing performance.

xix) Earnings per share:

Basic earnings per share are computed using the weighted average number of equity shares outstanding during the year. Diluted earnings per share are computed using the weighted average number of equity and dilutive potential equity shares outstanding during the year except where the results would be anti-dilutive.

xx) Equity Index / Stock Futures:

(a) Initial Margin – Equity Index/ Stock Futures, representing the initial margin paid, and Margin Deposits representing additional margin paid over and above the initial margin, for entering into a contract for equity index/ stock futures which are released on final settlement/squaring-up of the underlying contract, are disclosed under Loans and Advances.

(b) Equity index/ stock futures are marked-to-market on a daily basis. Debit or credit balance disclosed under Loans and Advances or Current Liabilities, respectively, in the Mark-to-Market Margin – Equity Index/ Stock Futures Account, represents the net amount paid or received on the basis of movement in the prices of index/ stock futures till the balance sheet date.

(c) As on the balance sheet date, profit/loss on open positions in equity index/ stock futures is accounted for as follows:

- Credit balance in the Mark-to-Market Margin – Equity Index/Stock Futures Account, being the anticipated profit, is ignored and no credit for the same is taken in the profit and loss account.

- Debit balance in the Mark-to-Market Margin – Equity Index/Stock Futures Account, being the anticipated loss, is adjusted in the profit and loss account.

(d) On final settlement or squaring-up of contracts for equity index/stock futures, the profit or loss is calculated as the difference between the settlement/squaring-up price and the contract price. Accordingly, debit or credit balance pertaining to the settled/squared-up contract in Mark-to-Market Margin – Equity Index/Stock Futures Account after adjustment of the provision for anticipated losses is recognised in the profit and loss account. When more than one contract in respect of the relevant series of equity index/stock futures contract to which the squared-up contract pertains is outstanding at the time of the squaring-up of the contract, the contract price of the contract so squared-up is determined using the weighted average cost method for calculating the profit/loss on squaring-up.

Notes to financial statements for the year ended March 31, 2018

19 Segment Reporting:

Considering the nature of Company's business and operations and based on the information available with the management, there are no reportable segments (business and/or geographical) in accordance with the requirements of Accounting Standard (AS) – 17 on Segment Reporting as notified under the Companies (Accounts) Rules, 2014. Hence, no further disclosures are required in respect of reportable segments, under AS 17, other than those already provided in the financial statements.

20 The provisions of the Employees Provident Funds and Miscellaneous Provisions Act, 1952, are not applicable to the Company as at March 31, 2018 and accordingly there are no dues payable in respect of the said statutes as at the year-end.

21 Earning per Share:

The basic earning per share is computed by dividing the net profit attributable to equity shareholders for the year by the weighted average number of equity shares outstanding during the reporting year. Diluted earnings per share are computed using the weighted average number of equity shares and also the weighted average number of equity shares that could have been issued on the conversion of all dilutive potential equity shares.

Dilutive potential equity shares are deemed converted as of the beginning of the year, unless they have been issued at a later date.
